**WELCOME TO THE ANNUAL
OPEN HOUSE & SHOWCASE
JANUARY 26, 2020 | 1:00-4:00PM**

DISCOVER YOUR NEW HEIGHTS

Welcome to the Cuyahoga Heights Schools annual Open House and Community Showcase! Whether you are a current or prospective family, resident or community member, we hope you'll find much to enjoy during today's celebration.

As a district serving 845 students from the villages of Brooklyn Heights, Cuyahoga Heights, and Valley View, we are honored to also welcome close to 200 students from surrounding communities through our tuition program. Inviting eligible students into our district through this program enables our district to stabilize enrollment and provide unique offerings which our parents describe as "the closest thing you can get to a private school experience in the best public school system in northeast Ohio."

Thank you for joining us today. I hope you have an opportunity to meet some of our award-winning educators and learn more about the academic programming which led the Ohio Department of Education to grade our district with the highest rating — an "A."

In the Cuyahoga Heights Schools, we believe in developing a system of support with staff, parents, mayors, village councils, safety service personnel, local business and community leaders.

These partnerships build upon our excellent school district, which has been recognized at the state and national level.

We are further strengthened by the engagement of our community. In particular, parents, staff, students and community members come together through the "Building on Excellence and Success Together" (BEST) Committee to drive strategic planning.
