# THE KIWANIS CLUB OF WELLINGTON

## **We are passionate about improving the lives of children**

- Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time
- Kiwanis Club of Wellington is serving the children of the community for the 95th consecutive year, chartered in 1924
- Kiwanis not only provides a local emphasis on children but also has statewide project supporting 4-H camping in 2019 and an international project to eliminate neonatal tetanus worldwide, a leading cause of infant death

## **We are the best with Service Leadership Programs and Signature Projects**

- Kiwanis sponsors the WHS Key Club, the McCormick Builders Club, and the McCormick/Westwood K-Kids to develop leadership skills and community service ideals
- Kiwanis funds two WHS sophomores to participate in the Hugh O'Brian Youth Leadership Symposium (HOBY)
- Kiwanis holds its annual Pancake Day and the annual Morris Furcron Memorial Peterson Nut Sale, providing scholarships for graduating seniors and helping kindergarten families begin a college savings program
- Kiwanis serves the community through sponsoring the "State of Wellington" breakfast

## **We derive our strength through members' time and hands-on efforts**

- Kiwanis provides community service and raises funds through ticket sales at the Lorain County Fair and Ohio Scottish Games
- Kiwanis offers a weekly luncheon meeting to hear interesting speakers that have an impact on our children and community
